Thoughts & budget

*******From the official contest meeting 3/18/10 & 3/23/10*******

Thoughts

Fun Fly Date – September 25, 2010

Pilot meeting – 8:30am – events start at 9:00am

3 classes (Unlimited/3D, sport, trainer) – judges to determine plane class (not based on pilot skills)

6 events (*Timed Roops (roll followed by a loop), Spot Landings, Taxi Event, Egg Drop, Limbo, Balloon Break*)

2 rounds (if weather & time permits) – Round 1, then open flying (± 1 hr) followed by round 2

Each pilot can campaign only 1 aircraft

Entry fee - \$10.00

Hamburger, hot dog, chip, cookie & soda lunch

*Lunch free with paid entrance fee – all others - \$5.00

To keep the events moving at a fast pace - Pilots to have 2 minutes from the time that they are told that they are next to obtain their transmitter from the impound and start/move their plane to the staging line. Additionally, each pilot will have 2 minutes to land after they have completed an event or the judges tell them that their time is up for that attempt.

Event to be approved by the AMA but NOT for point recording
